

Yucca (assorted varieties)

'Color Guard'

'Variegata'

'Blue Sentry'

Height: 2'-5' **Width:** 2-3'

Bloom: summer

Zone: 4

Exposure: full sun

Water/Soil: average, well drained, very drought tolerant, easy to grow!

If you're looking for a unique shrub for your garden, yuccas are some of the most unique ones you can find. These desert-thriving plants grow well with minimal attention, making them a wonderful choice for beginning gardeners, as well as an easy eye-catcher!

Red Yucca
Hesperaloe parviflora

Height: 3-4' **Width:** 4-5'

Bloom: summer

Zone: 6

Exposure: full sun

Water/Soil: average, well
drained, very drought tolerant,
easy to grow!

Tall spikes hold deep rose-pink flowers atop clumps of slender, green, drought tolerant foliage. Blooms nearly year-round in warm winter regions. An effective choice to add dramatic interest in a rock garden, as a landscape accent or in containers. Partners beautifully with other desert-like plants.

Dwarf Globe Blue Spruce 'Globosa'
Picea pungens

Height: 3-5' Width: 5-6'

Zone: 3

Water/Soil: average, well drained

This charming, globe-shaped evergreen shrub is dwarf, flat-topped and densely branched. The bright blue needles hold their color all year long but are a brighter hue in summer. Provides a unique accent for that special spot in the garden.

Sitka Spruce 'Papoose'
Picea sitchensis

Height: 8' Width: 6'

Zone: 5

Water/Soil: average, well drained

Picea sitchensis 'Papoose' has sharp, two-tone, blue-green needles. Late in spring, clusters of buds open at the branch tips and form blossom-like bursts of foliage. The slow-growing tree displays a dense, globose habit when young, but produces a leader with age and becomes a tight, upright, broad shape. Found by Gordon Bentham, Vancouver Island, British Columbia, it is considered deer resistant.

Mugo Pine 'Slowmound'
Pinus mugo

Height: 3' Width: 5'

Zone: 3

Water/Soil: average, well drained

A rugged and hardy evergreen with an evenly mounded habit of finely textured, rich deep green foliage. Slow growing, compact form seldom needs pruning or maintenance. Handsome on its own or when planted en masse. An ideal salt tolerant choice for a small urban garden, alpine or rock garden, or large waterwise landscape.

Mugo Pine 'Valley Cushion'
Pinus mugo

Height: 1' **Width:** 4'

Zone: 3

Water/Soil: average, well drained

Pinus mugo 'Valley Cushion' offers a spreading habit to the mix of TRUdwarf® mugo choices. The very compact, dense pine stays low and flat, much wider than tall. Reddish, new buds complement the short, medium green needles, and plants grow very slowly, so they require little or no pruning. This cultivar is extremely hardy and an excellent choice for cold parts of the country.

Butterfly Bush
Buddleia

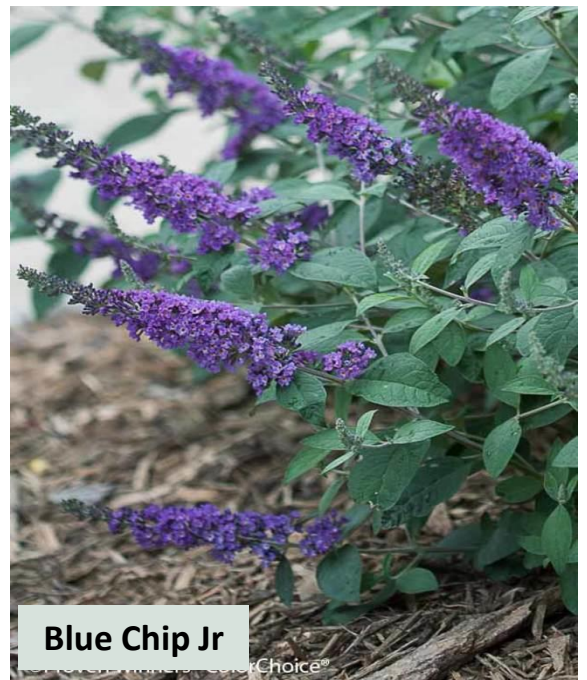

Miss Molly

Pugster Blue

Blue Chip

Blue Chip Jr

Height: 2-5' **Width:** 2-5'
(depending on variety)

Zone: 5

Water/Soil: rich, moist,
well drained

A great shrub for our climate. Fragrant blooms last all summer long. It is a nice medium sized shrub that attracts pollinators and is a nice accent shrub in the landscape.

Aronia 'Low Scape Mound'
Aronia melanocarpa

Height: 1-2'

Width: 2'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Tiny and Tidy! Beautiful and versatile aronia can be used in any landscape. It naturally grows as a neat mound and tolerates harsh weather and difficult soils.

Ninebark Varieties

Little Devil

Fireside

Amber Jubilee

Tiny Wine

Height: 2-8'

(depending on variety)

Width: 2-6'

Water/Soil: rich, moist,
well drained

Ninebark has stunning foliage. Reddish new growth matures to deep red/purple foliage. Pinkish-white flowers bloom in spring and foliage turns purple in fall. Plant has rounded upright shape.

Barberry
Berberis thunbergii

Crimson Pygmy

Orange Rocket

Sunjoy Tangelo

Sunjoy Gold Pillar

Height: 3-4' **Width:** 3-4'
(depending on variety)

Zone: 4-9

Water/Soil: rich, moist,
well drained

Barberries are tough and easy to grow shrubs that are great for adding color and texture to small spaces. These shrubs are extremely cold hardy and can grow as deciduous shrubs in cooler growing zones.

Viburnum 'Snowball'
Viburnum carlcephalum

Height: 6-10'

Width: 6-8'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Snowball bush is a popular and easy-to-grow hybrid shrub. It is highly prized for its large white spring flowers. The foliage turns reddish-orange in the fall, making it a perfect year-round specimen addition to the landscape

Viburnum 'Leatherleaf'
Viburnum rhytidophyllum

Height: 6-10'

Width: 6-8'

Zone: 4-9

Water/Soil: rich, moist,
well drained

The leatherleaf viburnum does well in any soil. This shrub creates flat clusters of creamy white flowers in the spring as well as berries in the fall. It's a nice accent shrub that can handle some partial shade.

Bluebeard 'Beyond Midnight'
Caryopteris clandonensis

Height: 2-3'

Width: 2-3'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Fabulous in fall! Beyond Midnight starts to shine when other plants fade. Late summer brings an explosion of long-lasting blue flowers. Dark green foliage makes this a good addition to the landscape!

Potentilla 'Happy Face'
Potentilla fruticosa

Happy Face Yellow

Happy Face Pink Paradise

Height: 2-3'

Width: 2-3'

Zone: 4-9

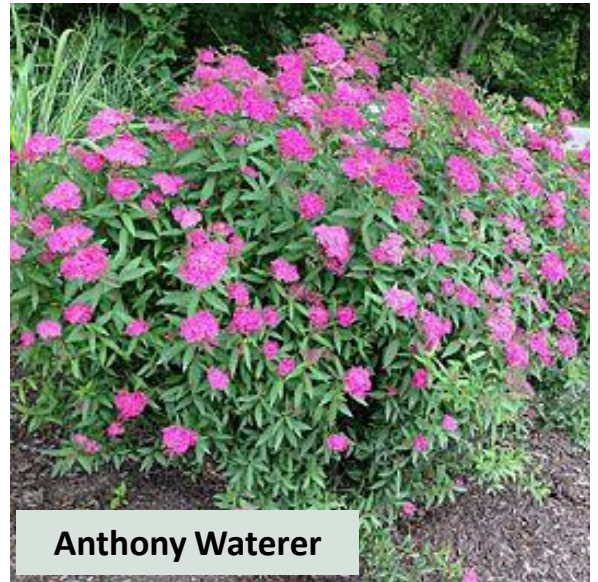

Water/Soil: rich, moist,
well drained

Long blooming! Potentilla is one of the longest blooming, hardiest landscape shrub. This easy-care plant makes a nice groundcover, edging, or low hedge shrub.

Spirea Varieties
Spiraea nipponica

Glow Girl

Anthony Waterer

Double Play

Magic Carpet

Height: 3-4'

Width: 3-4'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Springtime Classic! With its tidy habit and easy-going nature, spirea is the solution to many landscape challenges. A great mid-sized shrub that loves full sun and tolerates our soils.

Weigela 'Sonic Bloom'
Weigela florida

Height: 4-5'

Width: 4-5'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Months of blooms! Old-fashioned charm with modern day performance. Sonic Bloom blooms in late spring. They are covered in pink blossoms for months, year after year.

Weigela 'Spilled Wine'
Weigela florida

Height: 2-3'

Width: 2-3'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Spilled Wine weigela has deep purple foliage and bright pink flowers. This compact, small shrub is great for edging or walkways. It is deer resistant and easy to care for.

Rose of Sharon 'Purple Pillar'
Hibiscus syriacus

Height: 6-8'

Width: 3-4'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Purple Pillar is a totally unique rose of Sharon. It naturally grows as a narrow column instead of a wide spreading shrub. It is a great option for a privacy screen that gives beautiful blooms throughout the summer!

Rose of Sharon 'Lil Kim'
Hibiscus syriacus

Height: 3-4'

Width: 3-4'

Zone: 5-9

Water/Soil: rich, moist,
well drained

Lil Kim is a well-behaved dwarf variety. Its small size makes it an excellent container plant, blooming from midsummer into fall. This shrub is also great for salty soils and full sun areas in the landscape.

Russian Sage
Perovskia atriplicifolia

Height: 3-5'

Width: 2-3'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Russian Sage is an attractive plant with long, gray-green leaves with square stems. It resembles lavender and can be used in areas too cold to grow lavender reliably. This member of the mint family is hardy in zones 4-9.

Russian Sage 'Little Spire'
Perovskia atriplicifolia

Height: 2'

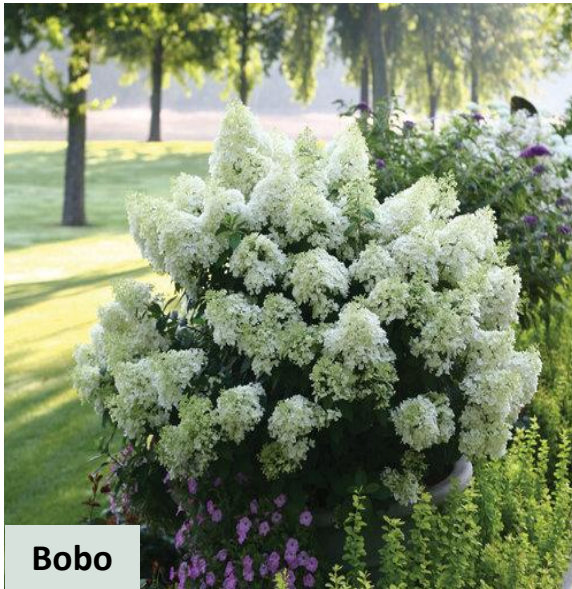

Width: 2'

Zone: 4-9

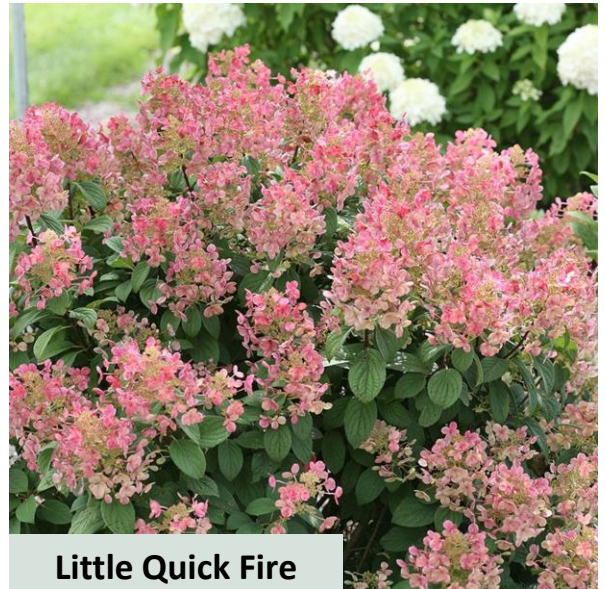

Water/Soil: rich, moist,
well drained

Russian Sage is a herbaceous woody perennial that is easy to grow. This plant blooms over a long time, becoming a favorite of hummingbirds, bees, and butterflies. Russian Sage thrives in full sun.

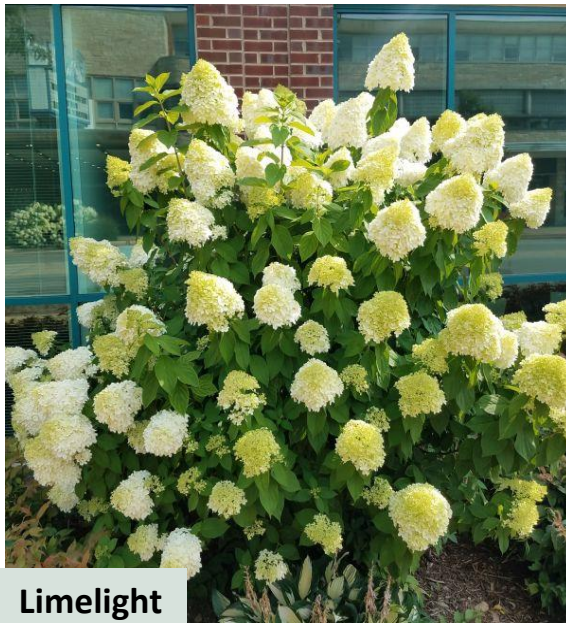

Hydrangea varieties

Bobo

Little Quick Fire

Limelight

Bigleaf hydrangea

Height/Width:

depending on variety

Zone: 3-5

Water/Soil: rich, moist,
well drained

With immense flower heads, hydrangeas flaunt an old-fashioned charm from summer to fall. Hydrangeas prefer partial sun! The best situation is full sun in the morning followed by afternoon shade.

Lilac 'Dwarf Korean'
Syringa meyeri

Height: 4-6'

Width: 5-7'

Zone: 4-9

Water/Soil: rich, moist,
well drained

The Dwarf Korean Lilac thrives in a wide variety of conditions. It is hardy to zones 3-7. The big blooming lilac needs a sunny and well draining spot. This flowering shrub blooms a beautiful and fragrant bloom in the spring.

Lilac 'Miss Kim'
Syringa pubescens

Height: 6-8'

Width: 6-8'

Zone: 4-7

Water/Soil: rich, moist,
well drained

This upright, compact lilac blooms later than others, extending the season with deep purple buds and clusters of highly fragrant, lavender-blue flowers. Hardy, with excellent powdery mildew resistance

Lilac 'Bloomerang Purple'
Syringa meyeri

Height: 4-5'

Width: 4-5'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Don't settle for lilacs that bloom just once a year – get bloomerang and enjoy months of blooms. This variety blooms in spring, takes a brief rest, then blooms again from mid-summer through fall.

Elderberry 'Black Lace'
Sambucus nigra

Height: 5-7'

Width: 5-7'

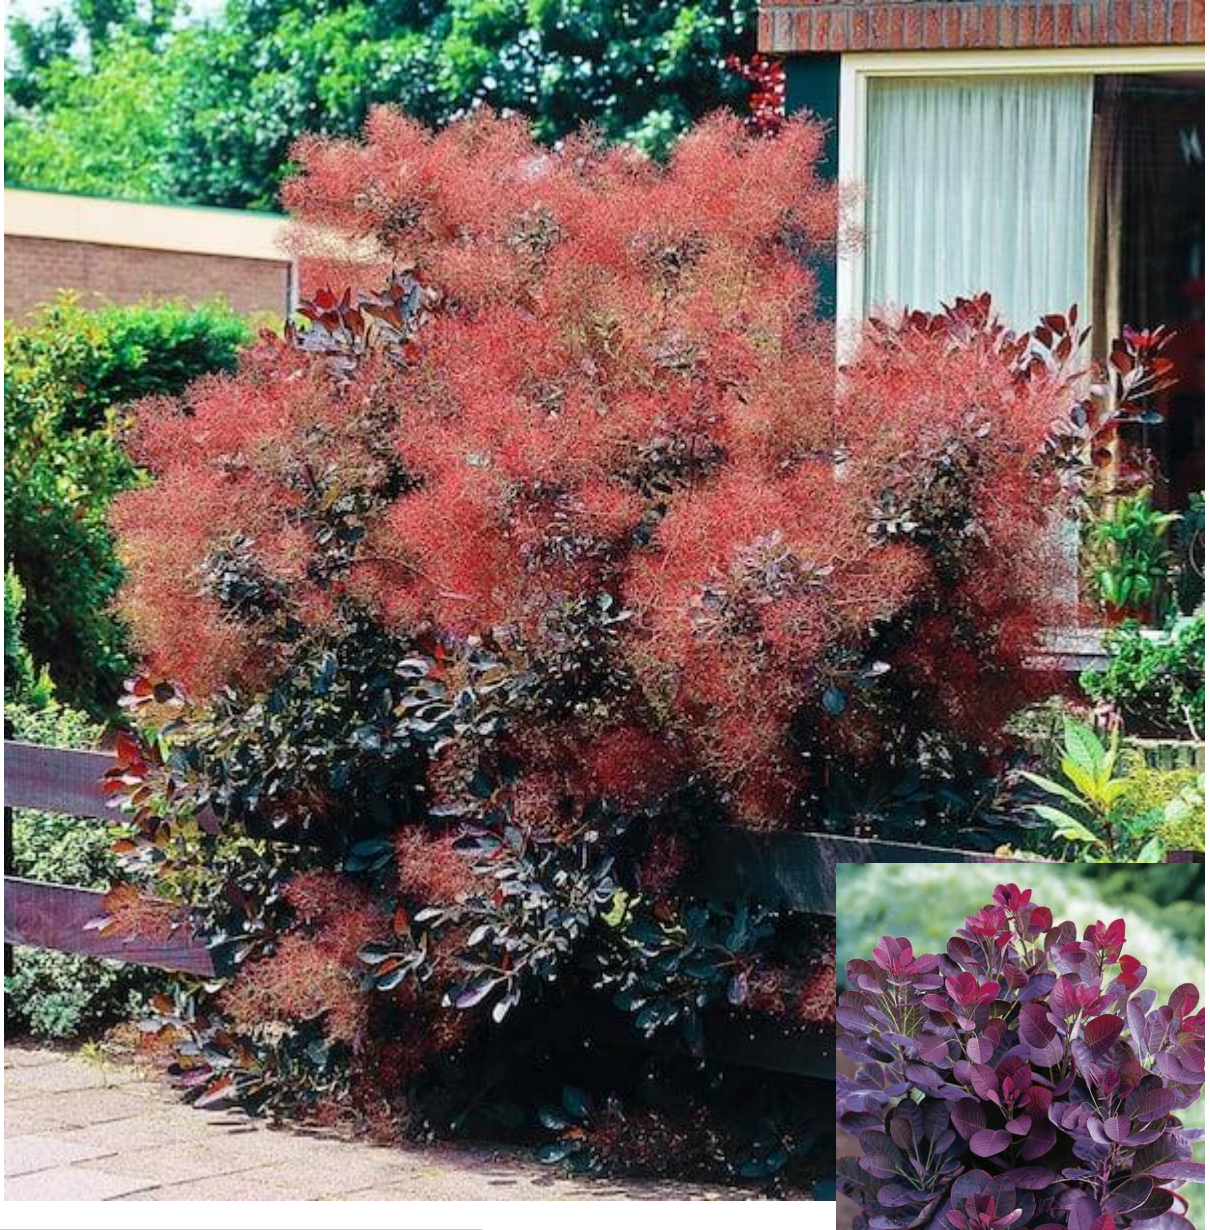

Zone: 4-9

Water/Soil: rich, moist,
well drained

Black Lace elderberry is a perfect addition to your landscape. Intense purple black foliage is finely cut like lace, giving it an effect similar to a Japanese maple. Black Lace is extremely durable and flowers in the spring.

Smokebush 'Royal Purple'
Cotinus coggygria

Height: 10-15'

Width: 10-15'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Dramatic, long-lasting, pinkish purple smoke-like seed clusters. This shrub has dark red-purple foliage that holds its color all summer long. A great accent piece for the landscape.

Privot 'Golden Vicary'
Ligustrum vicaryi

Height: 8-10'

Width: 8'

Zone: 4-9

Water/Soil: rich, moist,
well drained

An excellent upright deciduous shrub best used for informal, unclipped hedges. Bright golden foliage lasts all season. Foliage takes on a purple-red tone in fall. Often semi-evergreen in mild winter climates.

Privot 'Straight Talk'
Ligustrum vulgare

Height: 8-10'

Width: 2'

Zone: 4-9

Water/Soil: rich, moist,
well drained

This shrub is a quick-growing plant that can still reach some impressive heights. While it is known for its upright habit and thick foliage, this shrub will produce small, fragrant white flowers in the spring

Privot 'Cheyenne'
Ligustrum vicaryi

Height: 8'

Width: 6'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Cheyenne privet is known for its panicles of white flowers. It offers the perfect solution to bring beauty and privacy together. The leaves are glossy and narrow and is a fast-growing shrub. It thrives in full sun and in tough soils.

Red-Twig Dogwood 'Arctic Fire'
Cornus sericea

Height: 3-5'

Width: 3-5'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Winter beauty! This super-tough shrub shines in the winter. Vivid red stems brighten the landscape when everything else looks dull. This shrub thrives even in difficult conditions.

Dogwood 'Ivory Halo'
Cornus alba

Height: 4-6'

Width: 4-6'

Zone: 3-7

Water/Soil: rich, moist,
well drained

Prized for its colorful stems, variegated foliage, and compact size, this dwarf dogwood has brilliant red winter stems and showy green leaves. A great shrub for hedging or borders.

Buckthorn 'Fine Line'
Rhamnus frangula

Height: 5-7'

Width: 2-3'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Fine Line buckthorn is a non-invasive shrub that naturally grows as a narrow column. Its unusual narrow leaves create interesting texture on their own or as a backdrop. A good option in an entryway or container.

Buckthorn 'Tallhedge'
Rhamnus frangula

Height: 10-15'

Width: 4-6'

Zone: 4-9

Water/Soil: rich, moist,
well drained

Narrow growing deciduous shrub commonly used as a hedge. Dark green, glossy oval leaves retain their green color into fall. Small flowers bloom in the spring followed by reddish purple berries in the fall.

Sumac 'Gro-Low'
Rhus aromatic

Height: 2-3'

Width: 6-8'

Zone: 4-9

Water/Soil: rich, moist,
well drained

This shrub is great when used as a groundcover plant in the landscape. It has small yellow flowers that bloom in the spring, followed by small red fruit in the late summer. Leaves have a citrus-like fragrance.

Cotoneaster 'Cranberry'
Cotoneaster apiculatus

Height: 3'

Width: 6'

Zone: 4-9

Water/Soil: rich, moist,
well drained

A superb low hedge or groundcover formed by spreading branches that display an interesting pattern. Small, pink flowers in spring are followed by large red berries that brighten the winter landscape.

Dwarf Burning Bush
Euonymus alatus

Height: 4-6'

Width: 4-6'

Zone: 4-9

Water/Soil: rich, moist,
well drained

A sensational accent or natural hedge prized for its intense scarlet red fall color. The compact shrub displays attractive green leaves throughout the season. Great for full sun areas in the landscape.

Boxwood 'Winter Gem'
Buxus microphylla

Height: 4-6'

Width: 3-5'

Zone: 5-9

Water/Soil: rich, moist,
well drained

This densely branched evergreen shrub is perfect for small hedges or greenery within flower beds. It tolerates full sun very well as well as the soils in our area. This is a great mid-sized shrub that stays green all year round.

Boxwood 'Green Velvet'
Buxus microphylla

Height: 3-4'

Width: 3-4'

Zone: 5-9

Water/Soil: rich, moist,
well drained

A full-bodied boxwood well-suited for dense, low hedges. Foliage retains its rich green color throughout the year. A wonderful evergreen that handles our climate and soils very well.

Boxwood 'Green Mountain'
Buxus microphylla

Height: 5'

Width: 3'

Zone: 5-9

Water/Soil: rich, moist,
well drained

A vigorous evergreen shrub with bright green foliage that retains color throughout winter. The upright, naturally cone-shaped habit makes it a good choice for topiary forms, and a striking container or garden accent.

Boxwood 'Dee Runk'
Buxus sempervirens

Height: 7-8'

Width: 2-3'

Zone: 5-9

Water/Soil: rich, moist,
well drained

'Dee Runk' Boxwood is a broadleaf evergreen shrub with elegant columnar habit and soft, lush foliage. This upright boxwood is a real exclamation point in the garden, providing year-round color.

Forsythia 'Lynwood Gold'
Forsythia intermedia

Height: 6-9'

Width: 6-9'

Zone: 5-9

Water/Soil: rich, moist,
well drained

This bright colored shrub lights up the spring with its golden yellow blooms. When colors fade later in the summer, dark green foliage forms. Great for privacy and shaping.

Photinia 'Red Tip'
Photinia fraseri

Height: 10-12'

Width: 5-8'

Zone: 5-9

Water/Soil: rich, moist,
well drained

The red tip photinia is a popular shrub used as a privacy screen. The oval leaves start out red and turn into dark evergreen later in the summer. Photinia also has small, white flowers in the spring.

Euonymus 'Manhattan'
Euonymus kiautschovicus

Height: 5-6'

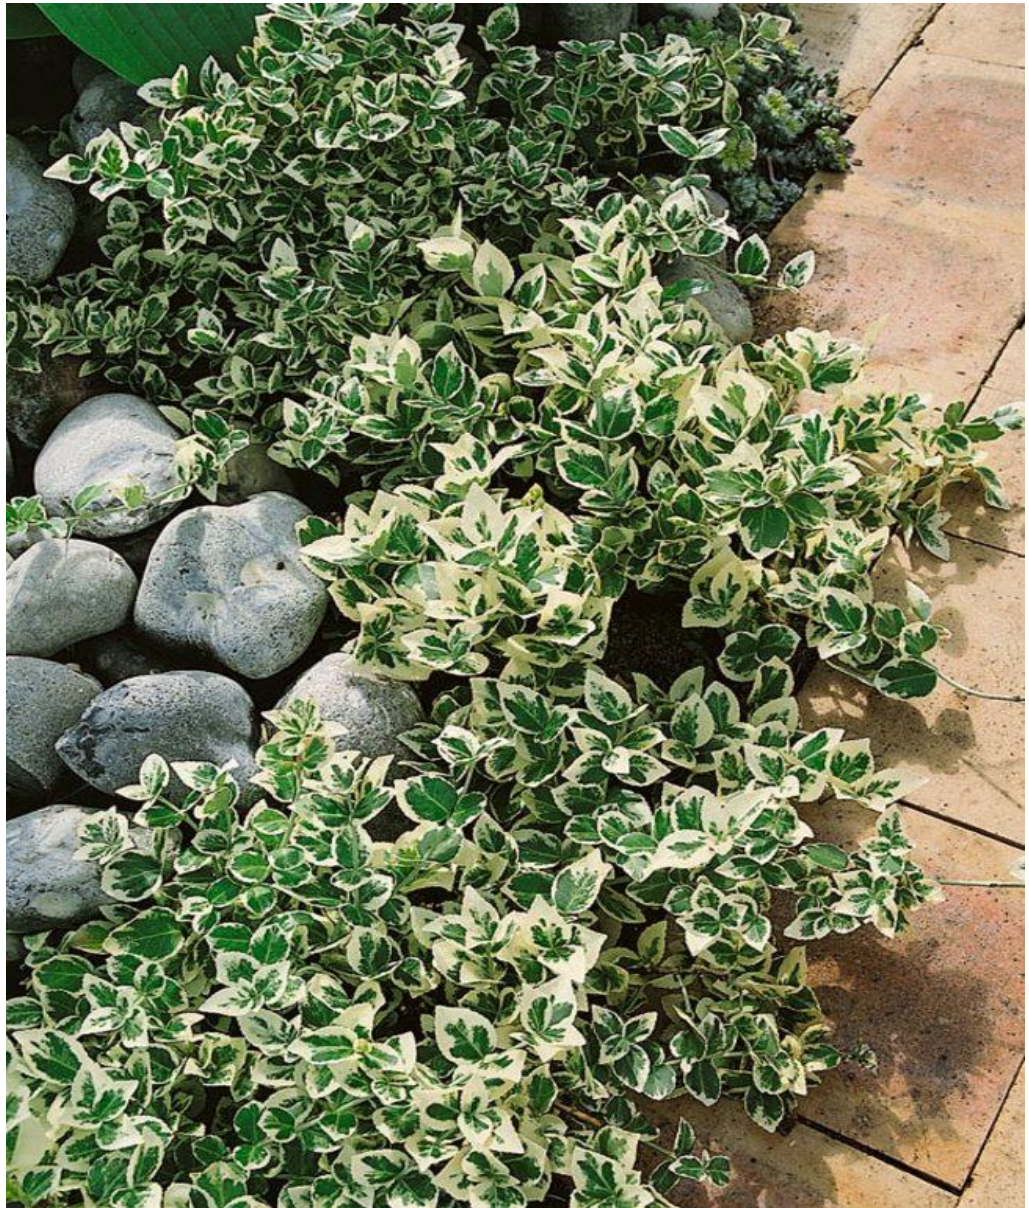

Width: 4-5'

Zone: 5-9

Water/Soil: rich, moist,
well drained

An excellent choice for a fast-growing evergreen hedge, informal screen or espalier. This handsome shrub has dense, lush, dark green foliage and a naturally neat, formal appearance.

Euonymus 'Emerald Gaiety'
Euonymus kiautschovicus

Height: 1-2'

Width: 2'

Zone: 5-8

Water/Soil: rich, moist,
well drained

A great shrub for a difficult spot, even dry shade. Can be pruned to keep a desired shape or trained to climb as a vine. Evergreen low-growing, spreading foliage with a mounding shape.

English Laurel 'Otto Luyken'
Prunus laurocerasus

Height: 3-4'

Width: 4'

Zone: 5-9

Water/Soil: rich, moist,
well drained

A dwarf form of English laurel. This lush growing evergreen shrub offers year-round interest with glossy leaves. It flowers in the spring, followed by small black fruit. Excellent as a hedge or privacy screen.

Dwarf English Laurel 'Nana'
Prunus laurocerasus

Height: 6'

Width: 6'

Zone: 6-9

Water/Soil: rich, moist,
well drained

A versatile and handsome evergreen shrub, very useful as a landscape accent. The large, glossy leaves cloak this compact shrub. Lovely when in bloom, with clusters of tiny and highly fragrant white flowers.

Hicks Yew 'Hicksii'
Taxus media

Height: 8-10'

Width: 3-4'

Zone: 5-9

Water/Soil: rich, moist,
well drained

This upright yew has a narrow columnar habit. This shrub has glossy, dark green, needle-like leaves. It can be used as a hedge in shady areas.

Yew 'Dark Green Spreader'
Taxes media

Height: 3-4'

Width: 4-5'

Zone: 4-7

Water/Soil: rich, moist,
well drained

This Dark Green Spreader Yew is an easy to grow, evergreen shrub with dense soft needles. A great shrub to prune and shape. This small shrub is a top choice for your landscape.
